

Innovation Project Pre-Season Guide

CARGO CONNECT

Evaluate the challenge using the released videos, text and images

Theme Analysis

Look the logo, teaser video, and released images. What do you see in them? What is cargo? What do you think the topic is?

Websites/Articles/Books

What websites or online resources can you find broadly related to the theme for this season?

Fieldtrip and/or Expert Interview

Where can you visit?
Are there experts you can reach out to connected to what you think the theme is?

Look out for Problems

As you did some research, did you find any interesting problems?

Design a Survey

If applicable, design a survey to gather information.
