

Team Meetings with COVID-19 Restrictions

By FLL 51/FRC 8027

[Note: These are not official guidelines from FIRST.]

	Possible Guidelines																																				
Team Meetings	<ul style="list-style-type: none">● Only team members and coaches should attend meetings (no other family members, administrators or visitors).● For large teams, students can come in as sub-teams of 2-3 (e.g. just one builder and one programmer working on 2-3 missions) students instead of all 10 at once. The rest can video conference.● Full team meetings are conducted remotely.● Seating must be 6ft apart. When around the FIRST LEGO League table, students are also required to be 6ft apart.● Masks are required at all times● Tight-fitting medical gloves might be an option for handling LEGO brick● Limit to 1 student building the robot at a single meeting● Make team documentation electronic to minimize student handling● Leave doors open so handles do not need to be touched● Ventilate room as much as possible (leave windows open)● Meet only once every 3-5 days. Virus lasts on plastic (LEGO) and most surfaces for only 3-5 days.● Check student and coach temperatures and ask questions prior to entering the room. Keep a log of answers and attendance <table><tr><td>Date:</td><td colspan="8"></td></tr><tr><td>Name</td><td>Temp</td><td>Fever</td><td>Cough</td><td>Sore Throat</td><td>Short of Breath</td><td>Loss of Taste or Smell</td><td>Vomiting or Diarrhea</td><td>Close Contact</td></tr><tr><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td><td></td></tr></table>	Date:									Name	Temp	Fever	Cough	Sore Throat	Short of Breath	Loss of Taste or Smell	Vomiting or Diarrhea	Close Contact

Cleaning, Sanitizing, Disinfecting	<ul style="list-style-type: none"> ● Students and coaches will wash their hands with soap and water when they arrive ● Students will also clean hands with hand sanitizer ● All hard surfaces (desks, chairs, door handles) will be cleaned with Clorox wipes and/or industrial strength classroom cleaner before and after use. ● Robot is cleaned between meetings ● Allow for 3-5 days between meetings – which should be long enough for the virus to die ● Laptop/computer is cleaned between meetings (look up manufacturer's guidelines. If there are no guidelines, an alcohol spray (70% alcohol/30% water) might be adequate.)
Outreach Events	<ul style="list-style-type: none"> ● No traditional outreach activities in person until restrictions are lifted ● If an outreach event is allowed, any equipment will be handled only by a single team member. If equipment is shared with a non-team member, it must be cleaned before a team member uses the equipment again. ● Equipment must be quarantined for 3-5 days and cleaned as per the above guidelines.
Field trips and Expert Interview	<ul style="list-style-type: none"> ● Field trips and expert interviews are conducted remotely ● If conditions allow, short trips or guests can be invited. However, all government guidelines and social distancing guidelines for meetings and transportation will be followed
Tournaments	<ul style="list-style-type: none"> ● Only attend remote events if available in your region ● If events are permitted, follow government guidelines and event guidelines for large group gatherings and social distancing. ● If traveling in a school/team bus or van, reduce number of students for social distancing or have parents will drive their own child to an event ● When using team/school transportation, sanitize hands before entering the van/bus ● Masks will be required on the bus and the events at all times. ● At an event, team members will limit interactions with other teams. They will follow all guidelines from the tournament organizer.
